Pretty convinced resis not in 52 after talking to a few people. Will confirm, but more confident. Where the resis went more troubling. Worried about stepping blind into dtcc. Can't do it. Also tba's a big client issue. Can you touch base with gerard?

Team

We need a brief call with rich, subject to his schedule, to review the language regarding the expense accruals and to ensure that barcap has appropriate flexibility to run their business as they deem appropriate.

Does 530 suit?

Thanks
